## It's All About You!

## CHOOSING THE RIGHT

# Agent

I'm thrilled to be your partner in navigating the dynamic world of real estate. With a wealth of experience as a seasoned real estate agent, I bring a deep understanding of the market, trends, and the intricacies of property transactions.

Having successfully guided numerous clients through the buying and selling process, my commitment is to make your real estate journey not just smooth but truly rewarding.

My expertise extends beyond the transactional aspects. I'm dedicated to providing personalized service, tailored to your unique needs and aspirations.

## PREPARATION

# Consultation

Selling your home quickly and for the right price starts with making it market-ready - clean, uncluttered, and inviting. Together, we'll review your home and create a tailored plan to highlight its best features.

Start by looking at your home with fresh eyes—walk around and note anything that could use a quick fix or upgrade. A neighbor's perspective can also uncover details you might miss. Prioritize what you can tackle yourself and what might require a professional, keeping return on investment in mind.

Not every improvement adds value, so let's work together to identify what's essential and worthwhile to maximize your home's appeal.

## FACTOR 2: HOW IT SHOWS

It is important to have your home ready for market on day one. I will help you make sure your home is ready for showings and online by:

### **PROFESSIONAL STAGING PROVIDED**

82% of buyer's agents say staging helps buyers envision the property as their future home.

### **BOOSTED ONLINE EXPOSURE**

Today's market is centered on technology. Buyers are performing their searches online, so it is important that your listing is ranked high and shown in its best light. Studies have shown that online buyers, disregard homes with limited photos, low-quality photos, and minimal information. Rest assured I take the extra steps to get maximum exposure for your listing and give the online shopper a wealth of information, as well as quality photos, and video tours.

# FIRST RATE *photography*

A PICTURE SAYS A *thousand words*

*Tell the Story of Your Home*

**Your home deserves better!**

We've all seen listing photos that are less than magazine quality. A listing's photos are often the first and sometimes only opportunity to attract a potential buyer. Most buyers are finding their homes online and photos are the first impression of your home. Pictures are the key to getting a home noticed, showings scheduled and therefore sold. As your agent, I will ensure that your listing will be shown in its best light. Many times, a buyer has already decided if they are interested in your home just from the pictures online, without ever stepping foot inside your home.

# MARKETING *Plan*

## NETWORKING

A large percentage of real estate transactions happen with co-operating agents in the area. I will expose your listing to this market.

## SIGNAGE

A sign will be placed in your yard as well as pointers and open house signs before an open house. These will be placed at the most opportune times to gain the most exposure.

## SUPERIOR ONLINE EXPOSURE

Buyers in today's market first start their search online. We will meet your potential buyer where they are...online! Not only will your home be featured in the local MLS, it will also be featured on the major 3rd party real estate sites, and syndicated to literally hundreds of other listing sites. Your home will be featured on our company website, and social media.

## EMAIL MARKETING

An email will be sent to our current buyer database of buyers searching for properties on my website. A new listing email alert will go out to my agent network of thousands of agents in the area.

## PROPERTY FLYERS

Highly informative and creative property flyers will be displayed inside your home. These help potential buyers remember the key items and unique features of your home.

## LOCKBOXES

Lockboxes are essential for the safety of all. They allow an agent to show your house whenever he or she needs to, rather than relying on you the owner for a key. Owners are also expected to vacate the property for showings. Having a lockbox makes this process much easier for all involved.

## SHOWINGS

When we list your home, you will also be signed up with a showing service that immediately alerts me when a showing has been requested. I will communicate to you any showing appointments that have been scheduled.

## OPEN HOUSES

After reviewing many surveys, we have discovered the perfect formula for what day is best to list a home and the perfect day for an open house.

## SOCIAL MEDIA MARKETING

We practice regular social media marketing on today's top social sites which include and are not limited to: Facebook, Instagram, LinkedIn, AND YouTube.

# maximum EXPOSURE

## DIGITAL MARKETING

When it comes to spreading the word about your home, every detail matters. Imagine your listing showcased through a stunning property website, engaging social media posts on Facebook, Instagram, and YouTube, and personalized email campaigns sent directly to my network. Add to that the unmatched reach of the Windermere network and syndication to the biggest real estate platforms like Zillow, Redfin, and Realtor.com. Your property gets seen by the right buyers, at the right time, in all the right places. It's a digital strategy designed to deliver results, because your home deserves nothing less.

## STUNNING WEBSITE

Picture this: a beautifully crafted web page designed to showcase your home in a way that grabs attention and leaves a lasting impression. It's not just about listing your property—it's about making it stand out from the crowd and captivating the right buyers from the moment they see it.

## SOCIAL MEDIA REACH

Imagine your home featured on Facebook and other social media platforms, with its best features showcased in a way that captures attention and sparks interest. It's not just advertising—it's creating a buzz, giving your property maximum exposure, and engaging the right buyers in a way that makes them want to know more.

# Offers

Price is just one of many considerations when deciding which offer is best for your home. Here are some of the other factors that matter.

- **CONTINGENCIES**

The fewer contingencies on an offer the better. Shorter time periods are also valuable.

- **ALL CASH BUYER**

A cash offer is usually more appealing than a finance offer as the seller doesn't need to worry about the bank approving the loan.

- **PRE-APPROVAL**

Assures home sellers that the buyer can get the loan they need.

- **LOAN TYPE**

A conventional loan is often the least complicated. This is an appealing choice for sellers. An FHA loan can cause delays because they require certain repairs and approvals.

- **CLOSING TIMELINE**

You might need to close quickly to move on to the next adventure, or you might need to extend the closing to allow time for the next home to be ready. Choosing the offer with the closing time that fits your needs will be most attractive to you.

- **CLOSING COSTS**

Sometimes an offer comes in high, but the buyer asks you to pay a percentage of the buyer's closing costs.

- **REPAIR REQUESTS**

If the home needs some repairs, but you don't have the time or money to do them, a buyer who is willing to do them for you might be what you need.

- **OFFER PRICE**

Of course, price matters too! If a high offer will cost you more in closing costs, repairs, or other factors—then it probably won't be the better offer.

# home APPRAISAL

If the buyer is seeking a loan to purchase your home they will need to have an appraisal performed by the bank to verify the home is worth the loan amount. As a seller we want the property to appraise for at least the sale amount or more. It is very difficult to successfully contest your appraisal. As an experienced agent, Terry demonstrates certain strategies during the appraisal to reinforce the value of the home to the appraiser.

## APPRAISAL COMES IN AT OR ABOVE SALE PRICE

You are one step closer, and closing can be begin!

## APPRAISAL COMES IN BELOW SALE PRICE

- Renegotiate the sale price with the buyer
- Renegotiate with the buyer to cover the difference
  - Cancel and re-list
- Consider an alternative all-cash offer
